

Anvil

They want to take my vote away,
I'm here to tell them not today,
I'm gonna lift my voice, lift my feet,
'Til I'm buried in my grave.

Gather Your Courage

Gather your courage
Into your heart
When we're together,
We can start

Everybody show up (Everybody show up)
Everybody rise up (Everybody rise up)
Everybody shake it up (Everybody shake it up)
Everybody here (Everybody here)

[Chorus 2x]

Everybody speak out (Everybody speak out)
Everybody reach out (Everybody reach out)
Everybody shake it out (Everybody shake it out)
Everybody here (Everybody here)

[Chorus 2x]

Everybody show up (Everybody show up)
Everybody come out (Everybody come out)
Everybody mail it out (Everybody mail it out)
Everybody vote! (Everybody vote!)

Gonna Vote For My Neighbors

I'm gonna vote for my neighbors, not just for myself
(3x)
I'm gonna vote, from love.

... the children...
... the imprisoned...
... my trans friends...
... the planet...
... the people...

Until All of Us Are Free

None of us, none of us, none of us are free
Until all of us, all of us, all of us are free

Everybody's Got a Right (to Vote)

Everybody's got a right to vote (2x)
And before this country fails,
We'll all go down to jail,
Everybody's got a right to vote.

Everybody's got a right to live (to live)
Everybody's got a right to dream (to dream)
Everybody's got a right to love (to love)...

Everybody's got a right to learn (to learn)
Everybody's got a right to breathe (to breathe)
Everybody's got a right to health (to health)...

Everybody's got a right to speech (to speech)
Everybody's got a right to sing (to sing)
Everybody's got a right to freedom (to freedom)

Hard Won Freedom

We won't, we won't,
Ever let go, of that
Hard won, Freedom,
Freedom to vote

We the people are for the people,
And for the people we act.
We the people are for the people,
Now will you have our back.

(2nd time: "And for the people we vote")

It's the Early Vote

We got it, in our pocket,
It's the key to our victory,
It's the early vote, so we all can go,
Mobilize our community

If you're Dr. King's Dreamers,
If you're the holders of hope,
We need all the believers,
To act like we know...

CHANTS

When I say we want you say JUSTICE...
(DEMOCRACY... TO VOTE... FOR ALL...)

Who's got the power? We've got the power!
What kind of power? People power!

We Belong to Each Other

Everyone, oh everyone, oh everyone of these people are ours,
Just like we are theirs.
We belong to them, and they belong to us.

You Screwed Us Over

You screwed us over
That's why we say
We will replace you
Come election day
So don't turn your backs boys
Don't feel secure
We're gonna get you in the end
Of that you can be sure

And we'll be back by the millions
You know it's true
Hang on to your ass, boys
We're coming after you
Here is the lesson we've learned this year
On this you can rely
When we're screwed we multiply

We Shall Not be Moved

We shall not, we shall not be moved (2x)
Just like a tree that's planted by the water
We shall not be moved

We're fighting for our freedom...
We're fighting for our children...
We're standing for our neighbors...
We're standing up for justice...
We're fighting for our future...
We are the people...

Ain't Gonna Let Nobody

Ain't gonna let nobody
Turn me 'round (3x)
Ain't gonna let nobody turn me 'round,
I'm gonna keep on a-walkin', keep on a-talkin',
Marching up to freedom land.

Ain't gonna let gerrymandering turn me 'round...
Ain't gonna let no ICE raids turn me 'round...
Ain't gonna let no DHS turn me 'round...
Ain't gonna let no billionaires turn me 'round...
Ain't gonna let fear-mongering turn me 'round...
Ain't gonna let no Kings turn me 'round...

We Vote For Us

We never voted for them,
We vote for us,
We vote for us,
All power to the people

Oh, when you need hope,
Hold your people close,
Yeah, you give me hope,
I remember, I was never in this alone

Set It Right

There's a great trouble in the land
We're gonna set it right again (3x)
We're gonna set it right, set it right again

Time to get up, and get out the vote...

Intimidation and changing the rules...

Voting has never been truly free,
We're gonna set it right again,
It's always been them, but it's got to be we,
We're gonna set it right again,
Voting has never been truly free,
We're gonna set it right again,
We're gonna set it right, Set it right again

Trouble's been brewing too many years...

This Little Vote of Mine

This little vote of mine, I'm gonna let it shine,
This little vote of mine, I'm gonna let it shine,
This little vote of mine, I'm gonna let it shine,
Let it shine, let it shine, let it shine.

This here voice of mine,
Is for singing songs of freedom (x3)
Sing 'em loud, sing 'em loud, sing 'em loud

These here hands of mine,
Are for voting tyrants out (x3)
So vote 'em out, vote 'em out, vote 'em out

These feet here of mine,
March me to the polling station (x3)
Here I go, here I go, here I go

This little vote of mine...
